SPRINGFIELD BREW CO NEW BUSINESS SPOTLIGHT

Springfield Brewing Company and Ty lechyd Da, its sister distillery, announced plans to open a production facility and tasting room in Willard. The new business will be located adjacent to the Frisco Highline Trail in the "mural building" owned by Ozark Greenways. The Frisco Willard Trailhead location will showcase the entire Ty lechyd Da spirits line-up with some fun cocktails, intended to help express the creativity of the distillers. SBC's plan to re-purpose the mural building along the historic Frisco Highline Trail is exciting not only for locals but also for the thousands of people who recreate on the trail throughout the year.

Non-Profit OF THE YEAR

Better Together playground was selected as the 2023 non-profit of the year! The playground is anticipated to be over four times the current playground size, making it one of the largest inclusive playgrounds in the area!

The state-of-the-art recreational site will not only increase value and revenue to our community but will serve as an example to the surrounding area that the Willard community values inclusive practices and thriving children. We are excited to announce we are ahead of schedule and ahead of our goal! We have raised \$704,000 in the past eighteen months. We plan to continue fundraising through the remainder of this year and are still actively applying for additional grants. With every additional dollar received, we can make the playground even bigger and better than the original proposed design!

Better Together Playground is scheduled to break ground next April 2024 with a completion date estimated for June 2024. To learn more about the Better Together Playground and how you can support, visit their website bettertogetherplayground.com.

Business OF THE YEAR

Citizens Memorial Hospital is a fully integrated rural health care system devoted to exceptional patient care provided by leading physicians and caring staff. Opened in 1982, CMH serves eight counties in southwest Missouri. CMH opened CMH Willard Medical Center Dec. 6, 2021. "The Willard community and Citizens Memorial Hospital have many things in common. We both focus on supporting our area families, and improving the health and quality of life for patients and communities," says Michael Calhoun, CEO/Executive Director of Citizens Memorial Hospital and Citizens Memorial Health Care Foundation. CMH employs 25 people in the Willard community at CMH Willard Medical Center & Walk-In Clinic, CMH Rehabilitation Clinic, and CMH Eye Specialty Center (visiting specialist at Jarvis Family Eye Center).

CMH Willard Medical Center and Walk-In Clinic offers comprehensive family care, pregnancy care, newborn and pediatric care and women's health care complete with on-site digital X-ray and laboratory services. Dr. Mylhan Myers, Magen Blades, PA-C, Sarah Geltmacher, FNP-C, Erin Payne, PA-C and Sherri Ament-Sturtevant, FNP-BC staff the clinic.

"The Willard community has been so accommodating to CMH. The community has expressed a great deal of excitement about the new clinic and new services that we are providing in Willard. They are using them. They have entrusted us to provide their health care and it has been a great fit for the Willard community and us. It has been a warm reception of CMH and our medical staff and the services that we provide," says Michael Calhoun. "We are so blessed and honored to be named the Willard Chamber Business of the Year."
